The faculty annual performance evaluations will be done on a calendar year basis from January 1 to December 31. The rating system has three points: “exceeds expectations,” “meets expectations,” and “fails to meet expectations.” The normal rating is “meets expectations.” This rating describes a faculty member who performs the dimension of his or her job with skill, producing the results expected of a highly educated professional. The rating of “meets expectations” also describes a faculty member whose performance on a dimension is essentially comparable to the performance of a broad range of faculty members within the unit. “Exceeds expectations” should be reserved for faculty who had truly outstanding contributions in the evaluation year.

Please review *Faculty Handbook* 4.3 for the statement on Evaluation of Faculty. The faculty member’s self-evaluation should go beyond a list of accomplishments and provide reflections on strengths and areas for growth or improvement.
